**“Give thanks to the Lord, for He is good’ His love ensures forever.”  
1 Chronicles 16:34**

We have a lot to be thankful for here at Loaves and Fishes Soup Kitchen. We have a wonderful staff who love Jesus and take joy in sharing His love with our guests, our building is now in good repair, the bills are paid and we get to see God work in the lives of those who desperately need hope.

Steve and Alice are a husband and wife in their thirties. They have four children, two of whom have autism. Can you imagine their day to day challenges even if they weren't homeless? But when they came to us we were able to place them in one of our beautiful three bedroom, two bath homes in our Transitional Housing Program. Steve and Alice don't have the best of parenting and homemaking skills but they work very hard trying to improve in these areas. Most importantly they love their children and want a better life for their family.

We are thankful to see them grow and to be able to provide the assistance that will get this family to a better place. You are a part of this outreach to Steve and Alice and their four children and we are so thankful for your help. We ask you to please pray for our staff and the families we serve and we want you to know that we pray for you. Have a thankful holiday and may God make His face to shine on you.

Peace in Yeshua,

*Rick*
